Construction Update

As you can see, construction has begun. Thanks be to God! Although we are extremely excited to finally see the work begin, it may come with some interruption to our entrances. Please be aware that there will be limited parking from time to time around the Church. Our parking lots on Ripley Street and Franklin Street will be available for use. We humbly ask for your patience during the construction process. None of this would be possible without your support. We are extremely grateful to you, our Parishioners and are many Friends who have been so kind. God Bless you all!
