Registering as a Parishioner

Registering at a Catholic church, also known as a parish, is an important step for Catholics to become more actively involved in their local faith community and to receive certain benefits and services. It's a way to formally join the parish and show commitment to its activities and spiritual life. Everyone over 21 years of age should register separate from their parents. Here's a few reasons why registering at a Catholic church is beneficial:

- Fosters a sense of belonging and community.**
- Enables access to sacraments and other parish services.**
- Facilitates communication and engagement.**
- Contributes to the parish's well-being and growth.**
- Provides documentation and support .**

In essence, registering at your parish is a way to actively participate in the Catholic faith, build community, and receive the benefits and support that comes with belonging to a local church family. Registration forms may be found in the vestibule of the church. We would love for you to join our family of "Saints."
