### Why Parish Membership Matters

A Parish is more than a place to worship—it is a community in the likeness of Christ. Parish membership and registration are ways we can fulfill His mission. Through Baptism, we become members. Through Parish Membership, we are recognized locally as belonging. Registering at Saint Stanislaus is much more than just paperwork, it is a concrete sign of commitment. It helps the Parish to identify you and provide services to you. You will be counted within the numbers that are passed on to our Diocese, so they can help serve our Church's needs.

Parish membership and registration are not just an obligation; they are belonging to something created by God. We are bonded by a shared mission through the Catholic faith.

If you wish to become a member of Saint Stanislaus Parish, please fill out the yellow form below and place it in the collection basket. You may also email us at: [ststanskostka@yahoo.com](mailto:ststanskostka@yahoo.com)
